DESCRIPTION: GRILL FESTA

The *Festa grill* created in 1987 and developed in the Tuscan's tradition context, is designed for long life, the first exemplars built in 1987, are still working!
Built with the highest quality materials in order to achieve the best cooking results and ensure a long life even with frequent use.

Designed for those who love the tastes of grilled food but watch to a healthy preparation, it provides an ample cooking surface on a special stainless steel grill, equipped with the *Cruccolini's sauce recovery system*.

This innovative cooking system, directs the fat of the cooked food into the dedicated ladle, avoiding flare-ups that burn the foods, while the three heights available, help to reach the desired cooking.

Equipped with wheels for an easy transport, and a large ash-drawer for an easy cleaning; It has a sturdy embers support grate, which has the task of absorbing the stress due to the heat, preserving the life of the bearing structure.

The *Festa grill* will be a great help to make all your parties and dinners with friends, truly relaxing moments to share with joy.
It will be for many years, a reliable ally!
